

## ABOUT BATON ROUGE DAYLILY SOCIETY

In 1951, The Hemerocallis Society of Baton Rouge was formed in one of the most prolific daylily areas in the country. The name was changed to the Baton Rouge Daylily Society in 1988.

Membership is open to anyone interested in the growth, propagation, and advancement of daylilies. We have members from over 19 cities and towns in the area.

The purpose of our society shall be to promote, encourage and foster the development and improvement of the daylily and the public interest in them in Baton Rouge and the surrounding area.

Our club is part of AHS Region 13 (La. and Ark.), In 2005 BRDS was host to 144 daylily lovers from 7 states for the Regional meeting.

We participates in local garden days at area garden centers to answer questions and visit with the public regarding daylilies and their use in the home landscape. Come join us for a visual feast!

DAYLILY & CLUB  
INFORMATION ON THE WEB  
AT [www.brdaylily.org](http://www.brdaylily.org)

### ACTIVITIES:

We usually have 2 major meetings a year (in March and October) and these include informative programs or side shows with business session. A Live Plant auction, club plant sales, a December social, special interest meetings & seminars are held as needed. Meeting notices are by mail & our club web page. In spring, we often have a local garden tour. Details are available at the major meetings.

### BENEFITS:

Information and the chance to participate in club plant sales, auctions, seminars, flower shows, bus trip tours, news of National display gardens and retail sales gardens; also Regional meeting & tour information is available at the meetings. Membership includes a copy of the Member Phone List.
